Driven 2 Donate

Do you have a vehicle that you are thinking of selling, but don't have time to post and respond to ads online or just simply don't want a stranger coming to your home to check it out?

Do you have an old beater that doesn't run and you are not even sure what to do with it?

If yes, we have a solution!

CSPFF has partnered with *Driven 2 Donate*, a non-profit organization that specializes in car, truck and motorcycle donations, which are tax-deductible.

At no cost to you, *Driven 2 Donate* will handle everything! You simply notify *Driven 2 Donate* and they will arrange a pick-up time convenient for you and then, all you need to do is provide a title and designate the Foundation to be the recipient of the sale proceeds.

A whopping 70% of the proceeds go directly to the Foundation, and the remaining 30% benefits Step Denver, a recovery program that offers men the opportunity to overcome the consequences of addiction and rebuild their lives through a program of sobriety, work, accountability, and community.

It's a win-win for ALL!
