---

## Colorado Combined Campaign

Every October the State of Colorado launches the *Colorado Combined Campaign (CCC)*, allowing state employees to make one-time or annual contributions to charities. The Colorado State Patrol Family Foundation (CSPFF) is one of those charities (#1490).

The Foundation supports Colorado State Patrol (CSP) in multiple ways. One being through the *Hardship Fund*, which last year

awarded \$200,000 in hardship grants to 37 CSP members. All CSP members are eligible to apply, so if you or another CSP member is experiencing an unplanned economic crisis, please visit our Hardship Fund [website](#) page.

It is our greatest honor to be able to provide resources to CSP members and their families, and through the generosity of others, we will continue to do so.

Please consider making a donation to CSPFF of any amount, either on behalf of the CCC or by going directly to our [website](#).

## DO YOU SHOP AT KING SOOPERS?

If so, please consider registering your Soopers card with their Community Awards program and designating CSPFF (YD407) as your charity.

*King Soopers Community Rewards program*

King Sooper's generously donates a percentage of your purchases to the Foundation, and it adds up quickly. We sure do appreciate your support, which goes toward helping those who keep our roads and communities safe - Colorado State Patrol Members!
